## Word from Pastor Don 簡牧師的話

### Clear Direction.....or not!

Jesus is the model for Christians. He walks in front of us and challenges us to follow His life. Yet, we tend to forget that even Jesus had to go to Gethsemane to pray for direction and courage. Peter was certainly surprised at his own failures and Paul ended up regularly on ships headed in directions that God altered. To follow Christ is to be sensitive to the Holy Spirit's constant directional adjustments!

Leaders are people who feel the pressure to have the immediate and correct answers to many questions. If we are not careful, we allow that stress to

motivate us to, at times, respond to some questions without wisdom or God's guidance. Spiritual leadership is not the ability to know all but the sensitivity to recognize one's own limitations, seek advice as needed, and the courage to boldly move forward in expectation that God will be there before us.

May the leadership of VCBC know the joy of dependency as we step out in faith and expectation to try new ministries, new leadership models, and new outreach in His name.

## Prayer Items

*Rather, he himself gives everyone life and breath and everything else. From one man he made all the nations, that they should inhabit the whole earth; and he marked out their appointed times in history and the boundaries of their lands. God did this so that they would seek him and perhaps reach out for him and find him, though he is not far from any one of us. <sup>28</sup> 'For in him we live and move and have our being.' — Acts 17:25-28*

1. Pray for our neighbours and our church and family we know, who are seeking for you in the many different questions asked: in burdens, cares, sins, understanding of you, loves, conflicts, the sufferings of this world, in the events of this week. Pray that we would all reach out for you and find you and discover that you, God, are the substance of our longings, of hope and faith and being.
2. Pray for open doors to relationships with the neighbours and good relationship with the city government during and beyond the Fall Leaf Cleanup on Nov. 2.
3. Pray for Steven Harper, our Prime Minister and the Members of Parliament that serve our country. Pray for the police and the military. Pray for your peace in the aftermath of the attack this week, and wise and measured decisions. Pray for what you want us to turn our hearts and minds to.
